Digital Marketing
Why It Runs Modern Business

Your customers are already online.
The real question is - are you visible to them?

Here are some Brands you interact with daily

Myntra · zomato · SWIGGY · make my trip · PhonePe · JioHotstar · boAt

They don't win because of luck.
They win because of digital-first strategies.

- A reel sparks curiosity
- A search builds intent
- A message builds trust
- A click converts into business

That's how digital journeys are created today.

A Single Digital Moment
Can Create Massive Impact

One smart campaign.
One strong funnel.
One clear message.

That's enough to take a brand from
unknown → **unforgettable.**

This is Why Digital Marketing Matters

Digital marketing is no longer optional.
It's how brands are discovered, businesses grow, and careers are built.

If this excites you - you're in the right place.
Because today, **digital marketing isn't just a skill,**
it's the foundation of modern business growth.

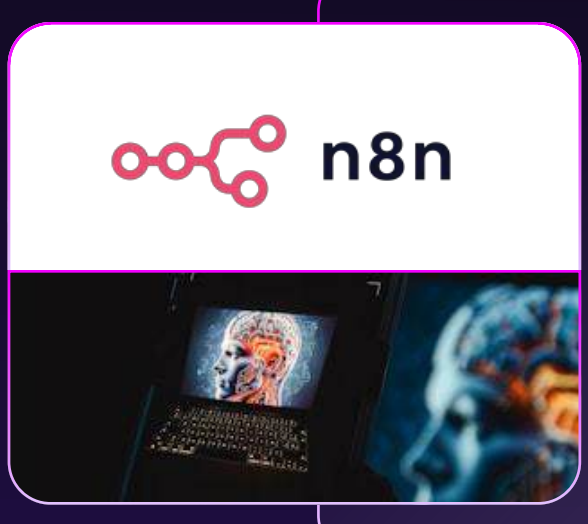

02

Upgrade Your Digital Marketing Career with AI

The Future of Marketing is here - **And are you ready for it?**

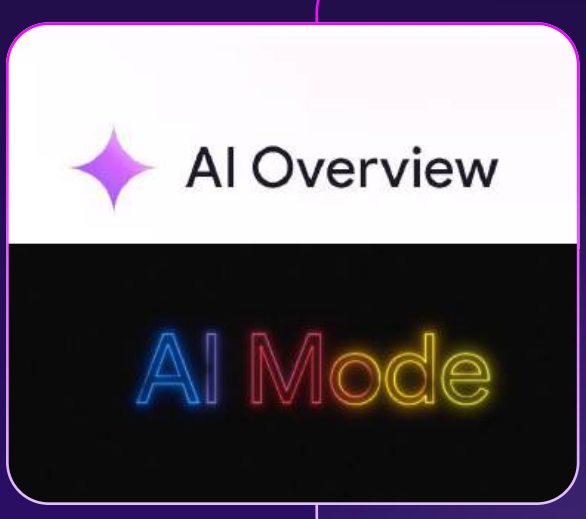

What's Inside Our AI-Enhanced Curriculum?

AI Agents & Workflow Automation

- Build automated workflows using **n8n + AI agents**
- Connect forms, CRMs, email & WhatsApp for end-to-end automation
- Use AI nodes to score leads, draft replies & segment users
- Create conditional multi-step flows & real-time alerts
- Scale automation for **hands-free lead nurturing & conversions**

The New SEO - Search ~~Engine~~ Everywhere Optimisation

- AEO, SGE & AIO - Beat Google at its own game
- Zero-click search strategies & voice-first SEO
- AI keyword research & SXO-driven mapping
- Optimize for Featured Snippets using AI
- Supercharge On-Page SEO with AI tools

Content Meets AI

- ChatGPT, Gemini & Perplexity-powered content planning
- AIO: AI-Optimized Blogs, Reels, Videos & Infographics
- Match content to user intent using SXO
- Craft content Google's AI loves - high factuality, citations & brand signals

Meta Ads & Performance Marketing with AI

- Smart targeting with Advantage+ & Dynamic audiences
- AI ad copy, mockups & creatives (Copy.ai, GravityWrite)
- Conversion API via Stape.io
- Optimize campaigns using AI tools like Optmyzr
- Master Performance Max with AI-driven insights

Tools You'll Master:

ChatGPT · perplexity · Gemini · Veo
copy.ai · Gravity · OPTMYZR · Stape
Writesonic · Napkin · Grok · n8n

and many more...

Learn Skills the Industry Wants.

AI-Ready. Job-Focused. Future-Proof.

⚡ Be the marketer who's not just learning AI - **but using it to lead.**

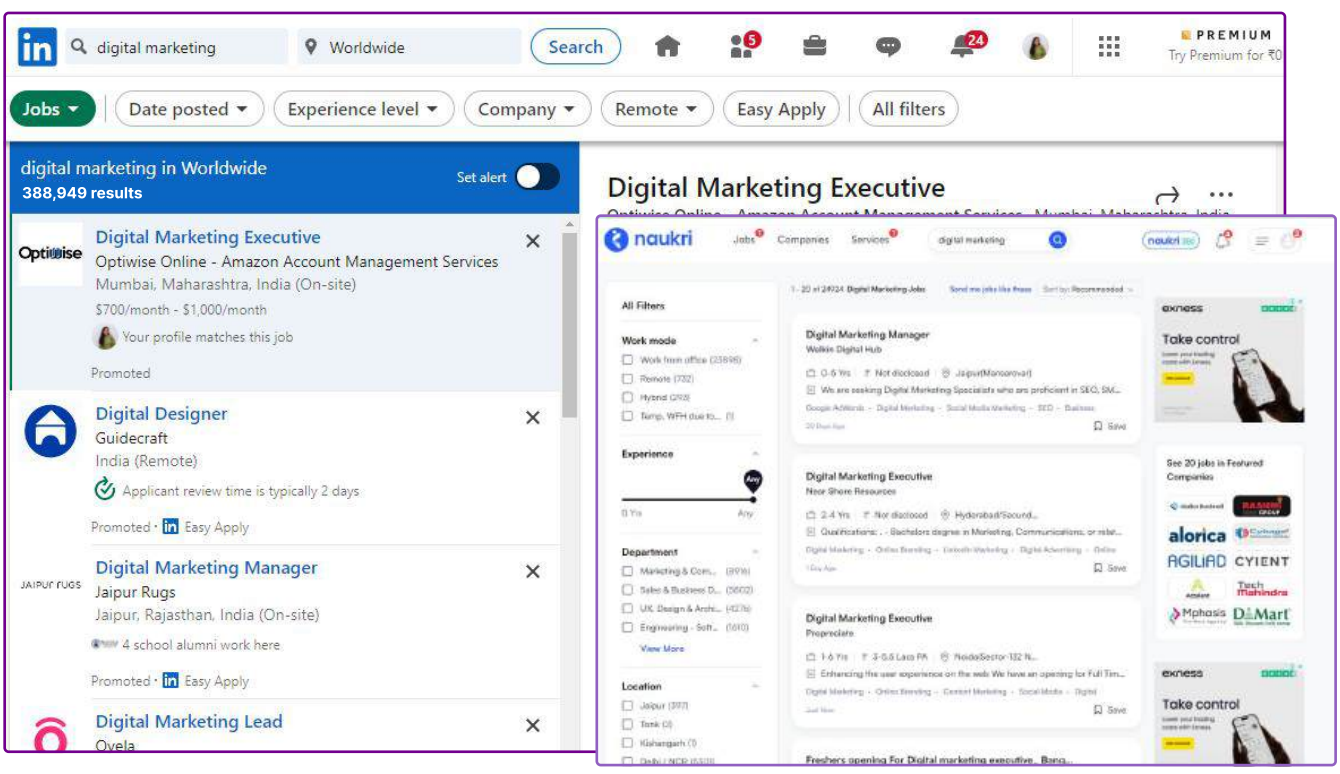

Scale & Scope

We've fetched some data for you!

LinkedIn ranks 'Digital Marketer' as a Top In-Demand Job, and according to naukri.com, there are currently **388,949** job openings in digital marketing.

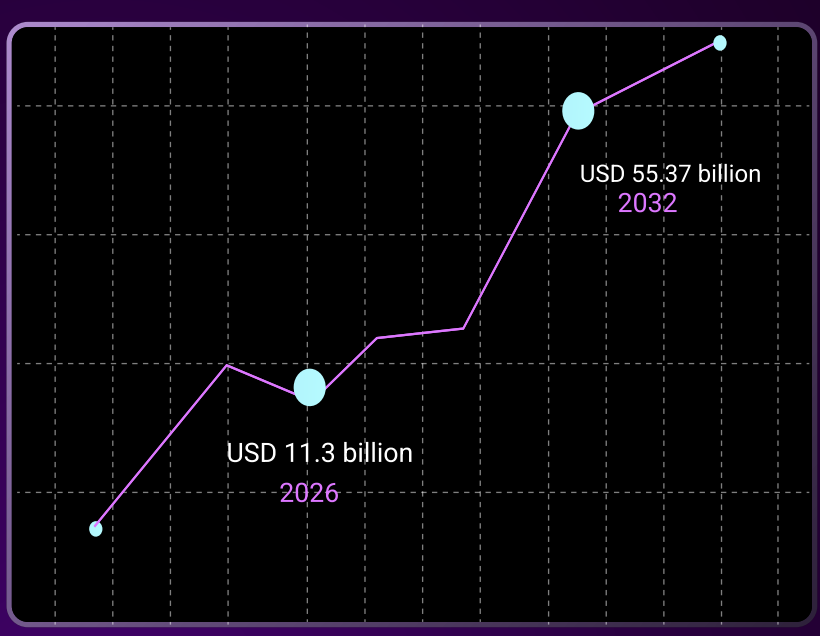

Source: Naukri.com

Scope of Digital Marketing

The Indian Digital Marketing market is estimated to be valued at approximately **USD 11.3 billion** in **2026**, reflecting rapid growth driven by increasing internet penetration, smartphone adoption, and digital-first consumer behaviour.

The market is projected to continue growing at a **CAGR of 30.3%**, and is expected to reach **USD 55.37 billion** by 2032, making digital marketing one of the fastest-growing industries in India.

Free Portfolio Website

Proof of Work

A live, professional site to showcase your skills and real projects.

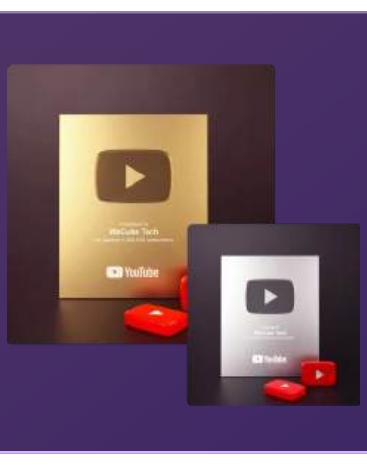

Placement Support for 1 Year

End-to-End Support

Receive dedicated placement support, job matching & interview coordination.

4 Million YouTube Subscribers

Glimpse of **Digital Marketing Journey**

Come and explore the exciting digital world with us,
where everyone is welcome!

Your class would look like this

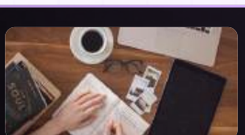

Who can apply for the course?

Students

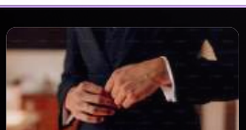

Professionals

Brand Marketers

Career switchers

Coaches

Freelancers

Entrepreneurs

Homepreneurs

Let's embark on this digital journey together.

Cohort Journey

Program Runway

Week 0

Kickoff & Onboarding

Milestone 1

Week 1- 2

Digital Marketing, Websites & Landing Pages

Learn digital marketing fundamentals, consumer behavior, branding, and website creation. Build conversion-focused websites and landing pages aligned with real business goals.

Milestone 2

Week 3- 6

Search Engine Optimization (SEO) & Answer Engine Optimization (AEO)

Master modern SEO from keyword strategy and on-page optimization to technical SEO, analytics, and live projects to drive organic visibility in the AI era.

Milestone 3

Week 7- 8

Social Media, Content and Influencer Marketing

Grow brands using social media, content, influencer marketing, and community-led strategies. Create videos and campaigns that drive reach, trust, and engagement.

Milestone 4

Week 9-16

Performance Marketing

Run data-driven paid campaigns across Meta, Google, YouTube, and e-commerce platforms. Learn targeting, tracking, optimization, and scaling for measurable results.

Milestone 5

Week 17-18

Marketing Automation & AI Agents

Automate marketing workflows with n8n + AI agents. Connect tools, trigger actions & remove manual tasks. Scale campaigns with smart, hands-free automation.

Milestone 6

Week 19-20

Capstone Project

Solve a real business growth problem using SEO, paid ads, content, analytics, automation, and AI tools. Build a complete marketing strategy, plan campaigns, use AI for research and optimization, and present data-backed recommendations.

Last Mile Prep

**Eligibility: Complete the program (projects, quizzes,& capstone project) with 70% attendance to get eligible for the 3-stage last mile prep for placement support.*

WsCube Tech's Placement Support

Get access to interviews with top companies.

PORTFOLIO PROJECTS

Build 20 Industry-Grade Digital Marketing Projects for Your Portfolio

01 Brand & Digital Marketing Strategy for a Local Business

Collaborate with a **local restaurant or café** to analyze customers, competitors, and brand goals. Build a marketing brief, define brand positioning, and design an AI-powered digital marketing strategy with clear funnels and KPIs.

02 Website & Landing Page Setup for a Business

Build a website and **lead-focused landing page** for a local business or EdTech brand. Configure WordPress, design pages, manage content, and create a conversion-oriented landing page using AI-assisted ideas.

03 Strategic & AI-Driven Keyword Research for High-Impact SEO in the AI Era

Identify and prioritize keywords using advanced AI-driven strategies, understanding how evolving SERPs and **zero-click searches** impact keyword targeting in modern SEO.

04 Craft AI-Optimized Meta Titles and Descriptions with On-Page SEO Enhancements

Enhance your skills in crafting AI-friendly meta titles and descriptions, while applying **modern on-page SEO strategies** to boost visibility and eligibility for featured snippets (AEO – Answer Engine Optimization).

05 Local SEO Optimisation for a Home Cleaning Service Business

To enhance the local online visibility of a **home cleaning service business** through the use of SEO techniques, market research, keyword planning, website optimisation, content enhancement, and Google Business Profile optimisation, enabling the generation of local leads and an increase in service inquiries.

06 SEO Strategy for a Fintech SaaS Platform with Learning Content

To scale **organic traffic and product adoption** using SEO through product pages, blogs, and business education content.

07 Organic Social Media Launch System (D2C Brand)

Build a **30-day organic social media launch plan** for a **D2C brand**, including platform selection, content calendars, reel ideas, captions, and DM-based lead flows. Learn how to convert organic reach into engagement and leads using real Instagram and Facebook strategies.

08 YouTube-Led Authority & Traffic Growth Plan for a Brand

Create a YouTube-first growth strategy using long-form videos and Shorts, supported by LinkedIn, X, and Pinterest distribution. Define video ideas, hooks, titles, and cross-platform plans to drive reach, authority, and consistent discovery.

09 Target audience for GROWW for app installation

Define and justify a high-converting audience strategy to maximize quality app installs for GROWW.

Groww

10 Build a Images and Video Mockup for the SNITCH Brand.

Create scroll-stopping visual creatives aligned with SNITCH's brand identity and performance goals.

SNITCH

11 Set up Meta Pixel using GTM Method on own website and make a 3 any custom Audience

Implement Meta Pixel via GTM and build strategic custom audiences for retargeting and scaling.

12 High-Ticket AI Tool Promotion Strategy

Develop a full-funnel strategy to generate qualified leads and conversions for a premium AI tool.

13 Setup a Search and Display Campaign of ThomasCook

Plan and launch intent-driven Search and awareness-focused Display campaigns for Thomas Cook.

Thomas Cook

14 Link YT channel with Google Ads account and set up an ad sequence in a way of storytelling.

Integrate YouTube with Google Ads and design a sequenced video funnel that nurtures viewers toward conversion.

Google Ads

15 Create and Optimize an Amazon Sponsored Ads Strategy for a New Product Launch

Build and scale a keyword-driven Amazon Sponsored Ads strategy for maximum launch visibility and sales.

amazon ads

16 Create and Optimize a Meesho Sponsored Ads Campaign for a Selected Product (you choose)Using Keyword Research and Performance Analysis

Design and refine a data-backed Meesho Sponsored Ads campaign using keyword research and performance insights.

meesho

17 Create a Realize Ads Campaign Plan Using Dashboard Structure and Targeting Strategy

Structure a Realize Ads dashboard strategy with precise targeting and performance-focused planning.

realize

18 Design a Future-Ready Media Strategy Using Emerging Advertising Trends

Craft an integrated media plan leveraging emerging advertising trends and cross-platform opportunities.

19 Plan and Execute a New Product Launch Campaign for a Fashion Brand Recode Using Meta and Google Ads

Develop a performance-driven launch campaign for Recode using integrated Meta and Google growth engines.

20 Build a Patient Lead Generation Campaign for a Healthcare Platform Like Practo

Create a compliant, trust-focused lead generation funnel for a healthcare platform like Practo.

practo

21 Lead Nurturing & Retention Campaign for a Business (Email + WhatsApp)

Design and execute a lead nurturing and retention campaign for a business using **Email Marketing (Mailchimp) and WhatsApp Marketing (Interakt)**. You will build segmented audiences, create automated email and WhatsApp flows, design messaging for different funnel stages, and optimize campaigns based on engagement metrics. Finally, you will package this campaign as a freelance service offering with clear deliverables and pricing.

22 Build Your First AI Agent Using n8n

Design and build your first **AI-powered automation agent** using n8n. You will create a multi-step automation workflow that captures data from a trigger (form, webhook, or event), processes it using logic and AI, connects multiple marketing tools, and performs automated actions such as storing data, sending emails, or triggering notifications. The project focuses on building, testing, debugging, and managing real-world automation workflows.

n8n

INDUSTRY CASE STUDIES

✦ Real-world case studies from top brands across modules

Case #1

Analyze how Swiggy Instamart leveraged deep consumer insights, speed-driven positioning, and funnel-led digital marketing to build one of India's fastest-growing quick commerce platforms.

Case #2

Understand how Nykaa uses a well-structured website, content hierarchy, and conversion-focused landing pages to build brand trust, guide user journeys, and convert visitors into customers at scale.

Case #3

How Myntra Dominates No.1 Position on Google for 64,000+ Keywords

Case #4

Study how HealthKart applies on-page SEO best practices and authority-driven content to scale organic visibility in the competitive health and fitness market.

Case #5

Analyze how MakeMyTrip leverages technical SEO, performance optimization, and structured data to manage large-scale content, improve crawl efficiency, and enhance search visibility across mobile and desktop.

Case #6

Analyze how Mamaearth built a D2C brand using Instagram-led organic growth and the Meta ecosystem to drive awareness, engagement, and conversions without relying only on paid ads.

Case #7

Analyze how Groww uses YouTube, LinkedIn, and X to build authority, educate users, and drive long-term organic growth through platform-specific content strategies.

Case #8

Analyze how CRED leveraged precision targeting and high-quality audiences to drive efficient growth with Meta Ads.

Case #

Explore how boAt used Instagram Reels and short-form video creatives to generate massive product launch buzz and engagement.

Case #10

Understand how Razorpay utilized LinkedIn's professional targeting and lead gen formats to acquire high-value B2B customers.

Case #11

Study how Lenskart used smart keyword strategy and Google Ads campaigns to capture high-intent eyewear searches at scale.

Case #12

Learn how Mamaearth leveraged YouTube storytelling and video ads to build brand awareness and drive online sales.

Case #13

How a New Product Increased Sales Using Amazon Sponsored Ads, Keyword Research, and Campaign Optimization

Case #14

How Creative Strategy and Landing Page Optimization Improved Conversion Rate in Realize Ads Campaigns

Case #15

Cross-Platform Media Planning Strategy to Reach Different Audience Segments and Improve Campaign Performance

Case #16

How Mamaearth Increased Online Sales Using Full Funnel Advertising, Video Ads, and Smart Catalogue Campaigns

Case #17

How NoBroker Scaled Customer Acquisition Using Smart Targeting and Cross-Platform Advertising Strategy

Case #18

Analyze how Lenskart uses WhatsApp marketing to drive personalized engagement, appointment bookings, and repeat purchases by integrating conversational commerce into its digital funnel.

Case #19

Study how modern businesses leverage n8n automation workflows and AI agents to streamline operations, automate marketing processes, and achieve scalable growth with minimal manual intervention.

2 Weeks

CAPSTONE PROJECT INFINITY

A capstone project where learners solve a real business growth problem using digital marketing, analytics, automation, and AI-powered marketing workflows. You will work on an end-to-end brand growth use case, from understanding the business and audience to building campaigns, creating AI-assisted content, setting up ads, analyzing performance, and presenting data-backed marketing decisions

Business Problem & Brand Understanding

Identify a real business challenge, target audience, competitors, and growth goals.
Use AI tools for audience research, competitor analysis, and customer persona building.

AI-Powered Strategy & Funnel Planning

Build a complete marketing funnel from awareness to conversion.
Use AI to map buyer journeys, campaign angles, channel strategy, KPIs, and success metrics.

AEO, Content & AI Workflows

Perform keyword research, content planning, and on-page SEO.
Use AI tools to create content ideas, blog outlines, ad copies, captions, and landing page messaging.

AEO, Content & AI Workflows

Perform keyword research, content planning, and on-page SEO.
Use AI tools to create content ideas, blog outlines, ad copies, captions, and landing page messaging.

Paid Ads & Campaign Execution

Plan Google Ads and Meta Ads campaigns for leads, traffic, or sales.
Use AI-assisted targeting ideas, ad copy variations, creative concepts, and campaign optimization.

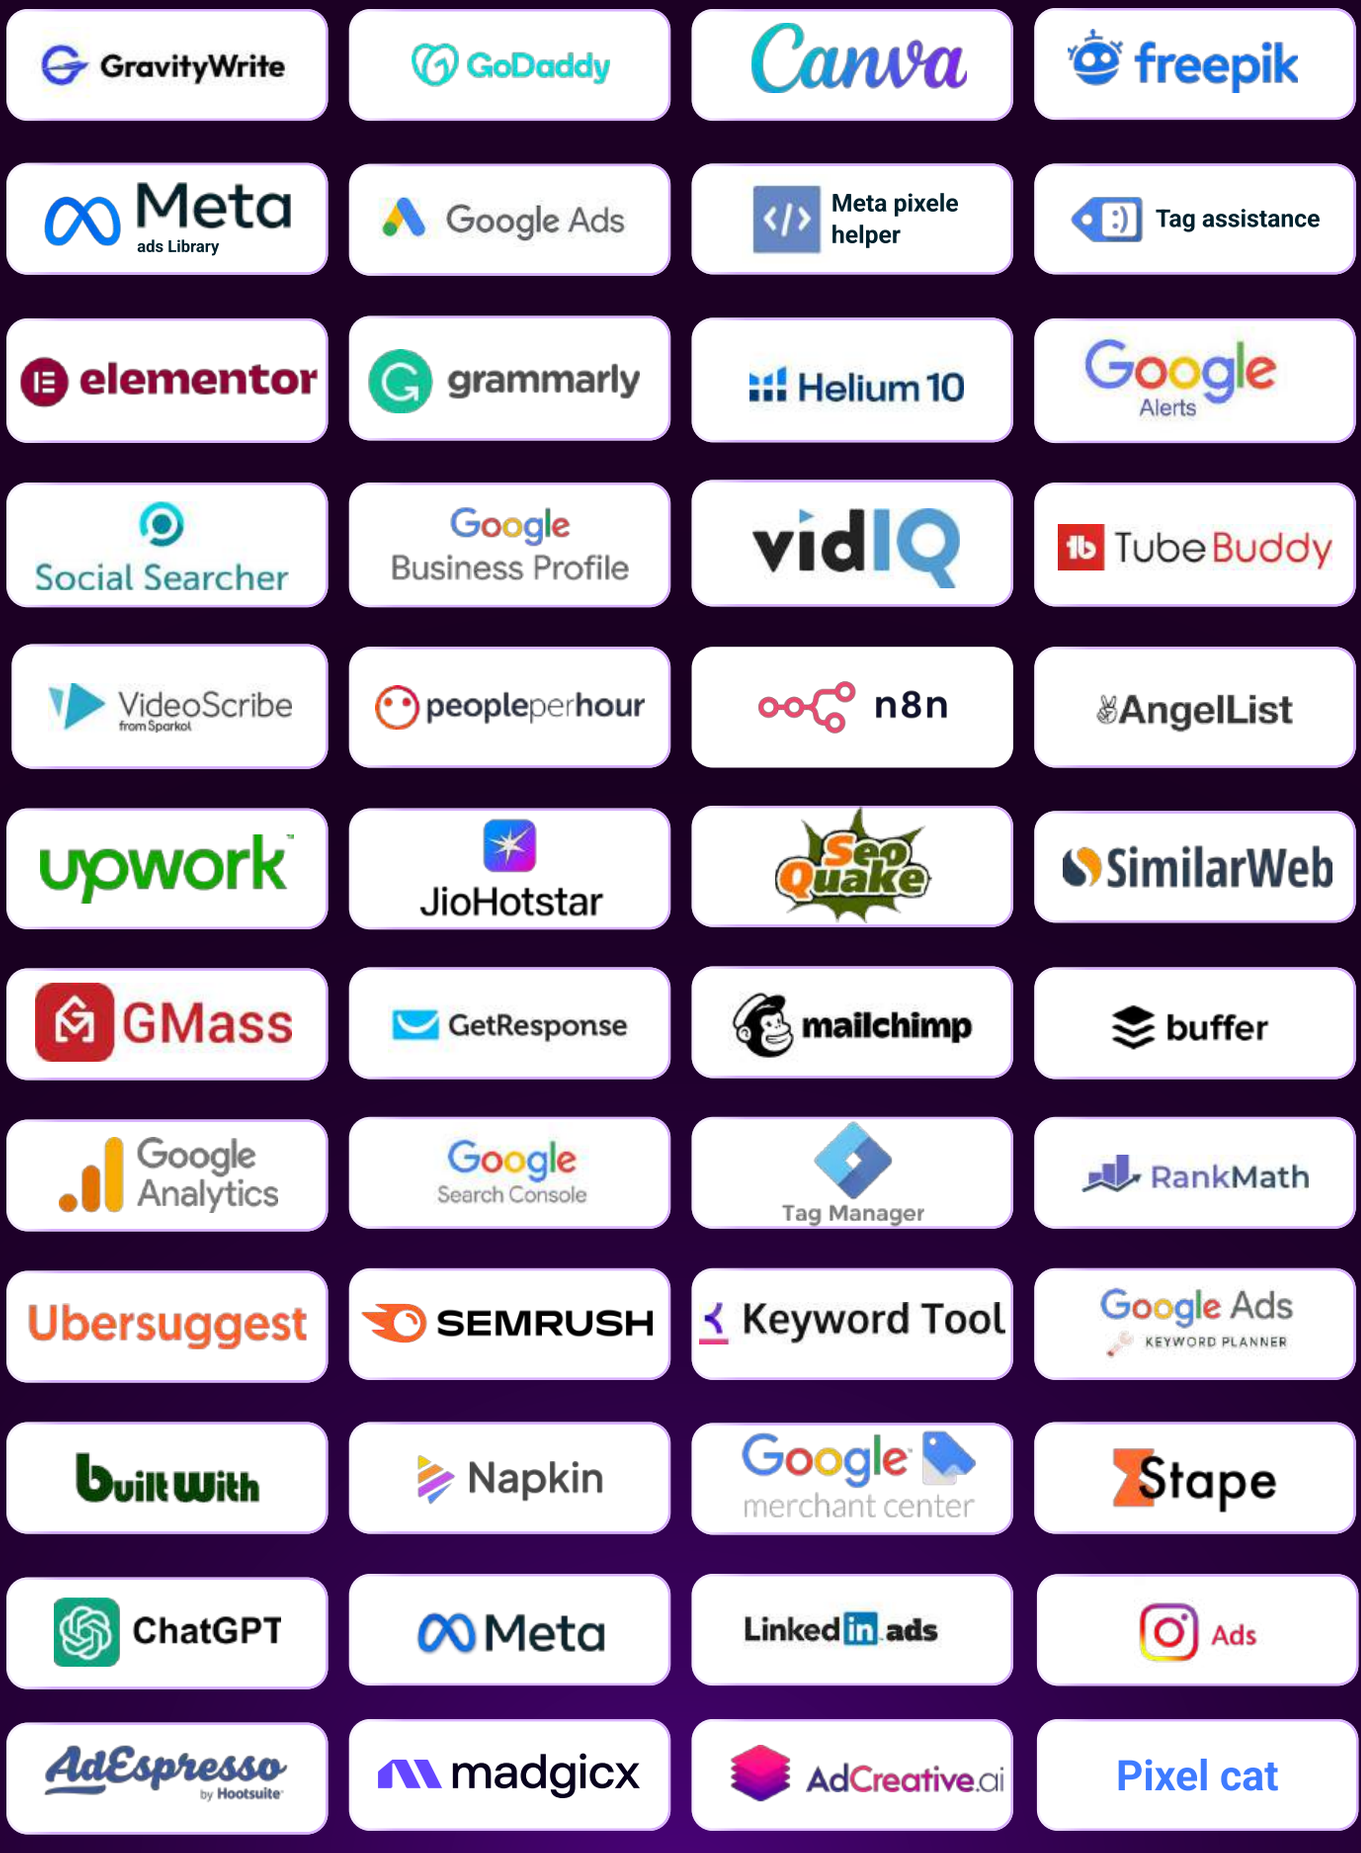

Analytics, Automation & Optimization

Analyze performance using GA4, Search Console, and ad dashboards.
Use AI to summarize reports, find gaps, identify trends, and suggest optimization actions.

Final Presentation

Present the complete strategy, AI workflows, campaign plan, insights, and recommendations.
Demonstrate practical marketing thinking, data-backed decision-making, and responsible AI usage.
