Performance Marketing Overview

Let’s be real for a second.

What if you were told that
every click, every scroll, and every purchase could be tracked, measured, and optimized... in real time?

That’s not a dream.
"That’s Performance Marketing."

It’s the reason why you see that perfect ad just when you’re thinking of buying **Sneakers.**

It’s why brands like mamaearth™ meesho boAt lenskart.com NYKAA scaled from startups to household names.

It’s how CRED created a luxury brand vibe with high-precision ads

&

how TATA 1mg used smart targeting to become India’s go-to for online medicines.

From Shots in the Dark
To Campaigns That Convert

Unlike traditional marketing that hopes to make an impact, performance marketing is all about:

- ✓ Real-time Data
- ✓ ROI-driven Campaigns
- ✓ Laser-targeted Ads
- ✓ Pay-for-results Model

Whether it’s **Meta Ads, Google Ads, Amazon, YouTube, LinkedIn,** or the next-gen AI-powered ad tools—Performance Marketing turns numbers into growth, and ad budgets into impact.

YouTube in amazon

Why Is Everyone Talking About It?

Because it works.

- ✓ Every swipe on Instagram
- ✓ Every search on Google
- ✓ Every product you buy on Amazon

...has a **performance marketer** behind it, pulling the strings.

And with AI in the mix?

You’re not just marketing anymore.
You’re engineering conversions.

Ready to Be the Brain Behind the Brand?

If the idea of tracking success in real-time, running ads with precision, and mastering AI tools excites you...

You’re at the right place.

Let’s turn your **curiosity into campaigns that perform.**

Performance Marketing Meets AI

Smarter Campaigns. Sharper Targeting. Higher ROI.

Today's digital ad platforms are powered by AI and so is our curriculum.

- Track conversions with Stape.io's AI-based Conversion API setup

AI for Landing Page Optimization

- Use AI to personalize and A/B test landing pages for better UX
- Improve performance through AI-backed design & messaging suggestions
- Monitor user actions with real-time heatmaps and behavior analysis tools

AI is not the future of paid marketing - it's the now.

Join the only bootcamp that teaches AI-first media strategy, ad tech, and growth execution.

Performance Marketing: Scale & Scope

We're living in a
digital-first world.

From the moment you wake up and scroll Instagram,
to your late-night online shopping spree
—digital marketing is at work 24x7.

And behind every catchy ad, trending reel,
or Google search result... there's a
Digital Marketing Expert
running the show.

The Digital Boom Is Real.

880+ million internet users in India (and growing!)

₹8,000+ crore digital ad spend projected in 2025

Every business—big or small—is going digital

Startups to unicorns, D2C to SaaS —everyone needs digital marketers

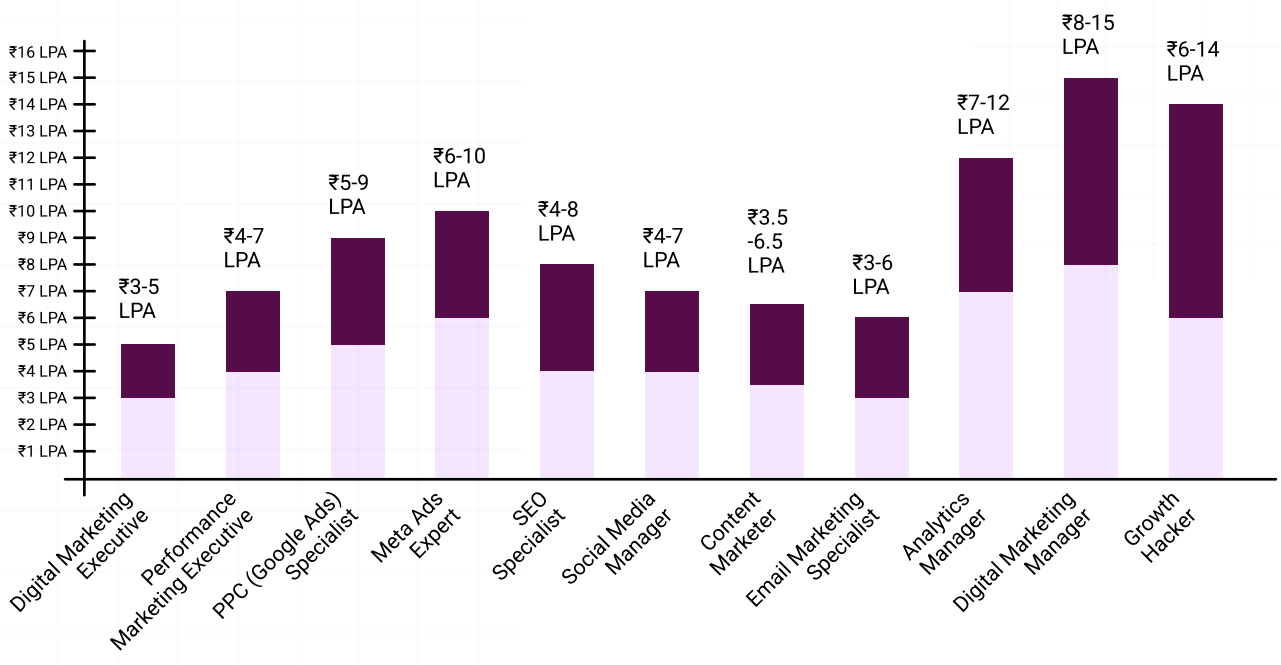

No wonder **digital marketing is one of the fastest-growing career paths** in India and globally!

The Scope Is Massive

Whether you're a fresher, a graduate, a freelancer,
or looking to switch careers,
Digital Marketing opens doors to Endless Possibilities.

And with AI in the mix, this career becomes even more powerful.

Career Roles You Can Aim For

Note: Salaries depend on experience, skills & city. Freelancers and agency professionals can earn even more.

Job Demand Across Sectors

- Startups
- E-commerce
- EdTech
- Healthcare
- Finance
- Hospitality
- SaaS & Tech
- Agencies & Freelance

Why Learners Love This Field:

- ✓ Creative + Analytical combo
- ✓ No coding required
- ✓ Continuous learning & growth
- ✓ Remote-friendly jobs
- ✓ Opportunity to work with top brands & unicorns

Whether you want a stable job,
launch your own agency,
or become a highly-paid freelancer—
